

Meet the teacher

ALL ABOUT Me!

I am so excited to be your new Kindergarten teacher! This is my 10th year teaching Kindergarten and I can't wait to share my love of teaching with you! I graduated with my Bachelor's degree from Maryville College in Tennessee, which is where I met my husband Garrett. He joined the Air Force after college, and we relocated to this wonderful area this summer from Florida! We have two children Aubrey (5), and Finn (3). We can't forget about our fur baby, Jeter. We ARE busy! When I'm not having too much fun in my classroom, I love to spend time with my family at the park, splash pad, or anything else outside! I enjoy watching sports, family movies nights, and beach trips! The most important thing to me in this world is my family and I can't wait to make you apart of my classroom family! We are going to have an amazing and FUN year! See you soon!
