## MEET YOUR CO-CHAIRS

### Candyce Yates

Candyce is the mom of Cameron (Grade 2) and is amazed by how much he grows every day! His shoe size has already surpassed her's...yikes! She is a lover of Math, children and all things education. When she's not in her classroom, she's either hanging with her family or her sorority sisters! She absolutely adores her Grace family and can't wait to see everyone at the auction!

### Michelle Artz

Michelle is the mom of Owen (4th Grade) and a recovering Lobbyist. When not on I-270 driving Owen to one of his many sports practices and games, Michelle enjoys runs and walks with friends or the family dog, mounting vain attempts to KonMari the house, picking out recipes she dreams of cooking, and drinking copious amounts of coffee. Michelle and her family are grateful everyday to be a part of the Grace community. She looks forward to letting the good times roll at the auction!
