A little about me...

Hi! My name is Amanda Mendez and I'll be your new movement and music teacher this year at Grace. I live in Olney, Maryland with my husband, Javier, and our two boys, Beni and Santi. My sons will also be attending Grace this year! I studied theatre performance at the University of Maryland, where I was able to work on my skills as an actor, singer and dancer. After college I began working at a children's theatre in Bethesda. I learned how much I loved sharing my love of the arts with children. I taught with Imagination Stage for almost ten years! Four years ago, I joined a local dance and theatre company where I taught and performed alongside the children in the company. I am so excited to begin my new adventure teaching at Grace and cannot wait to share my love of music and movement with you!
