

PreKindergarten Teacher  
Full-Time  
2021-2022 School Year

Grace Episcopal Day School, celebrating 60 years, promises academic excellence in a caring and nurturing environment. With around 100 students and 25 teachers and staff, Grace is a vibrant learning community. We are a diverse and inclusive school that values community, family, and student connections. All teachers, homeroom teachers and specialists alike, get to know each child's strengths and challenges, differentiating instruction to suit individual learning styles.

Grace Episcopal Day School is seeking an experienced Prekindergarten Teacher to join our Early Childhood Program. The teacher will work in collaboration with an assistant teacher to plan and implement a play-based, emergent, and child-centered curriculum. Applicants will have a clear understanding of child development for three- and four-year olds, a dedication to professional and personal development, flexibility, the ability to work with team members collaboratively, and a willingness to work in partnership with parents.

**The PreKindergarten Teacher at Grace:**

- Collaborates with an assistant teacher to create a vibrant and engaging classroom environment that fosters curiosity, joy, and growth
- Communicates regularly with parents and caregivers about each student's progress and development
- Participates in training and certifications required by licensing

**Minimum Requirements:**

- Experience working in a co-teaching environment and a minimum of two years of teaching experience
- Applicants will preferably have a bachelors' degree in early childhood education or child development.
- Cultural competence and training in diversity, equity, and inclusion for young students and their families
- Interest in working collaboratively as a member of a team in a diverse school community
- Effective communication skills, both oral and written

**Preferred Candidates Will Have:**

- A passion for creating an inclusive, loving, and engaging classroom community for young learners
- An open-hearted view of children as growing and changing
